

LifeWay Kids Curriculum Apps

Coming soon! As of the Fall 2017 quarter, all three Kids Ongoing brands will house their respective apps in ONE free viewer.

Look for the LifeWay Kids icon to the right in the App Store or Google Play to access all your favorite LifeWay Kids curriculum apps in one place!

With this free viewer, you can download *Bible Studies for Life*, *Explore the Bible*, and *The Gospel Project* apps for kids and preschoolers. These fun and engaging apps include games, puzzles and content that will help reinforce your kids' Sunday School lessons at home.

If you have downloaded any of the curriculum apps in the past, they will still be available in the following locations; however, all new downloads will be in the new LifeWay Kids viewer.
